Hi Megan,

I've got a 3 pm call, but if we're efficient that time should work just fine.

Onward,  
Anthony

Hi Anthony,

I hope you had a nice weekend. I was wondering if you'd be able to reschedule this afternoon's meeting for Wednesday afternoon at 2pm? Julie is out today, so we're not quite ready to connect on our mark up to the bill.

Sorry for the delay, and we hope to have something to you soon.

Thanks for your patience,  
Megan

Thanks, Megan. 35 Elm Street, Second floor. Our building is in the heart of the flood zone so please pardon the exterior and first floor appearance. The landlord is still cleaning up.

No problem if you cannot send a document in advance. To set expectations appropriately, I will also want to consult with some other collaborators after we meet before I can give you definitive feedback.

Anthony,

2:15 at your office sounds good. We'll see you then. We will try our best to send a document to you in advance so that you have time to review, but it may not be until Monday morning.

Thanks,  
Megan

Hi Megan,

Monday would be great. I have a call ending at 2, so let's say 2:15. My office is right downtown on Elm St. if you and Marian want to come by here. Otherwise, if you want to meet at National Life I will need some cushion to travel up there so more like 3. Teams is also fine, but like many people I have a bit of video fatigue these days. Let me know what's best for you all and I will make it work.

Have a nice weekend.

Anthony

Hi Anthony,

Marian and I are making progress on some edits to S.259 to reflect Secretary Moore's testimony from last week. Would you be available to meet with us on Monday afternoon next week to review some of the changes? We will send a mark up to you as soon as Julie has a chance to review (hopefully this afternoon or over the weekend).

Marian and I are currently free between 2-4pm Monday. Happy to meet in Montpelier or on Teams.

Thanks for considering, and hopefully connect with you soon,  
Megan
