Good morning Anthony,

Attached is a response letter for your record request. You should have received an email from me this morning with links to the responsive records via the State's filedrop system. Please let me know if you didn't receive the email or if you have any issues accessing the documents.

Thank you,  
Kelly

Hi Jane,

I'd like to request copies of all responses to the Act 122 RFI. Thank you in advance for processing this request as soon as you're able after the deadline.

Please also let me know when might be a good time after the RFI deadline to meet to discuss how stakeholders can support the Agency's implementation efforts coming into the session. I'm mindful that the Agency and the Treasurer have each signaled the need for additional appropriations to continue the work.

Thanks for your assistance and continued efforts on climate issues.

Onward,  
Anthony
