Hi Jane,

Thanks for the prompt reply. I can appreciate you wanting to get internal alignment. My only concern regarding the timing is that we're aware from Elena's call with Julie that ANR may want some statutory changes related to deadlines for Resilience Implementation.

Knowing that late November and then mid December can be a tough time with holidays, I'm hopeful we could meet with enough time in advance of the start of the session to understand those concerns and work on building consensus before these issues hit legislative committee rooms. With that expressed, I'll stand by to hear from you once you've had the desired internal meetings.

Onward,
Anthony

Morning,

Thanks for checking in. You were on my list to contact! We met with the Treasurer's Office on Tuesday of this week. We are not ready to have a meeting with external partners yet as while we've sketched out a rough plan of how we could advance this workflow, we need to meet with the Treasurer and Secretary first to confirm approach. The Treasurer's Office is taking the lead on setting up that meeting in the near-term.

Ok for us to be in touch after we have clear direction from the Treasurer and Secretary? Thanks for considering.

Jane
