Hi Jane and Rachel,

Thank you for sharing that feedback. We'd still like to move ahead with the meeting tomorrow and will appreciate any insights you can share now regarding the RFI takeaways. Based on the Secretary's EAN presentation, there is certainly more we'd like to understand about how you are reading those.

Tomorrow's meeting may end up being shorter if you are not in a position to share more forward-looking details, but still a worthwhile check-in even if we end up meeting again in a few weeks.

Thanks,
Anthony

Thank you, Rachel.

Rachel and I discussed this, and I appreciate her following up. ANR will be leading the drafting of the legislative report over the next few weeks, and we are happy to meet with you once it is complete. If you would like to understand our takeaways from the RFIs, happy to discuss.

Jane

Hi Anthony,

Thanks for sending a proposed agenda. Unfortunately, we do not yet have updates on any potential requests for statutory changes or additional appropriations. We're still working through our internal budget and legislative review process. We could meet tomorrow to discuss the RFI responses, or we could postpone a meeting until we have more clarity on our end. We intend to provide a more detailed update on these topics in our legislative report, due January 15.

Let me know if you'd like to proceed tomorrow with a more limited agenda or postpone until we have more comprehensive updates to share.

Thanks!
Rachel

Hi Jane,

Here are the topics we hoped to discuss tomorrow:

- ANR reactions to the RFI responses
- Changes to the statutory timeline ANR would like to see and rationale for those changes
- Anticipated appropriations request and rationale for amounts; update on status of existing appropriations
- Other changes to statute that ANR anticipates requesting and rationale for those changes

I know you suggested earlier that someone from the Treasurer's office might be joining. Is that no longer the case? No worries if it is, just checking if you still anticipate it being you and Rachel along with us tomorrow.

Thanks,
Anthony

No worries, Jane. I think it best to stick with Tuesday at this point.

Hi Anthony,

I would be happy to meet in person but am only in town Monday and Thursday. Would you prefer to move the meeting to the Thursday time slot and have us host you at NL?

Jane

Hi Jane and Rachel,

Thank you for making the time. Let's go with 230-330 on 12/17. I'll have our team put a placeholder in that slot until we can follow up with an invite indicating the actual place or mode of the meeting.

If it is convenient, we would be willing to come up to National Life or to host you at my downtown office. If you prefer video, that's fine too.

Best,
Anthony

Hi Anthony,

Rachel and I will take this meeting on behalf of the state. I highlighted the two windows that work for us below. If you confirm a preference, I will send a teams invite. After our meeting with the Treasurer and Secretary tomorrow, we can confirm an agenda. Hope that works and thanks.

Hi Jane,

Thanks again for your assistance in putting together this meeting. I hope one of these ranges might work next week:

12/17 1-330 2:30-3:30

12/18 3-330

12/19 1-330 2:00-3:00

12/20 1-330

If not, might you suggest some other times. Right now it is looking like the meeting would be me, Ben, and likely Elena. Lauren Hierl and/or Joey may also attend.

Many thanks.
