Thank you, Ashlynn. I can move a meeting that I have on Wednesday from 12-1.

Please confirm that works for everyone and I can send out an invitation and move my other meeting.

Hi All,

It looks like Gavin and I are both available during the noon hour on Tuesday and Wednesday next week. Though I will caveat that I am waiting for a meeting with Sen. Perchlik to land (on this appropriation request as well as as others from TRE), and I'll have to prioritize that one if I am able to schedule it.

Thanks!

Thanks, Jane. Regrettably those Monday windows don't work on our end. Are there other times early next week, perhaps in the midday when committees aren't meeting, that might work for this group?

Afternoon Anthony,

Rachel and I would be happy to meet with you and walk you through the feasibility report to discuss our recommendations there. We would ask that someone from the Treasurer's Office join as well and as such, have copied Ashlynn and Gavin to see if they agree. I am not easily available at any of the times you mentioned but could find time on Monday of next week, if that could work for others. I am at a meeting from 10-3 but could meet from 9-10 or walkaway for 30 minutes during the day.

Thanks,
Jane

Colleagues,

With Act 122 appropriations recommendations moving from House Environment to House Appropriations and crossover looming, we wanted to check in to discuss the legislative process ahead.

Might you have time for a call Wed 9-10:45, Thu 9-1:30 or 4-5? Friday afternoon might also be a possibility, but would require some schedule changes for Ben.

Thanks,
Anthony
